EIGHTEENTH ANNUAL REPORT

(1935 - 36)

The Executive Committee of the State Scout Council beg to submit their Report for the year ended October 3rd, 1936, with a Statement of Accounts for the year 1935—36 (July 1935 to June 1936).

State Scout Council.

The Seventeenth Annual Meeting of the Council was held at Mysore on the 8th and 9th October 1935. G. V. Bewoor, Esq., M.A., I.C.S., C.I.E., Director-General of Posts and Telegraphs addressed the Council on the 8th. The address which is full of practical outlook was reported in the pages of *The Mysore Scout* (October 1935).

The Council then went through the business part of the programme with the Chief Scout Commissioner in the Chair.

The proceedings of the Meeting were published in the *Mysore Scout* for October 1935, copies of which were circulated to all the members.

Our Deputy Chief Scout Honoured.

The Boy Scouts of Mysore beg to express their hearty congratulation to Amin-ul-Mulk Sir Mirza M. Ismail, B.A., C.I.E., O.B.E., Deputy Chief Scout and Vice-President, State Scout Council, on the K.C.I.E., conferred upon him. The letter from our popular Dewan and Statesman of Mysore accepting the Boy Scouts' heartfelt congratulations is printed below :

DEWAN OF MYSORE

Bangalore,
20th January 1936

Dear Mr. Shankaranarayana Rau,

Nothing has given me greater pleasure than to receive the telegram from the Boy Scouts of Mysore conveying me their congratulations on my recent honor. I must write you a line to express my warm thanks for this most welcome token of kindly feeling on the part of the Boy Scouts who are the future hope of our great State. Would you kindly tell them how much I appreciate their kind thought and that I watch their career with the deepest interest?

Yours sincerely,
(Sd.) MIRZA M. ISMAIL

Executive Committee.

The following gentlemen retired from the Committee. Headquarters place on record their appreciation of the valuable services rendered by them as members of the Committee.

1 Mr. S. Abdul Wajid
2 Mr. K. V. Anantaraman
3 Mr. J. B. Mallaradhya
4 Mr. S. V. Krishnaswami Iyengar
5 Col. J. C. Loch

The following gentlemen entered the Committee:

1 Rao Sahib M. Ramaswamy
2 Lt. Col. H. de-N-Lucas
3 Mr. K. Srinarasimhaiya
4 Mr. C. Subba Rao

The Committee met 4 times during the year and transacted the usual business. Mr. N. S. Subba Rao, M.A., (Cantab), Bar-at-Law, Director of Public Instruction, continued as Chairman.

Mr. Justice K. Shankaranarayana Rao, M.A.,B.L., continued as Chief Scout Commissioner and Vice Chairman of the Executive Committee. Major Y. V. K. Moorthy, M.B., B.S, D.T.M., as Deputy Chief Scout Commissioner relieved the Chief Commissioner of a great part of the routine of office and general supervision. He attended two of the Meetings of District Scout Councils, at Hassan and Mysore and toured in the several parts of Mysore and Hassan districts.

Headquarters' New Building.

The new building of the Boy Scout Headquarters which was under construction at the time of the last State Scout Council Meeting was, on completion, opened by Sir Mirza M. Ismail, K.C.I.E., O.B.E., the Dewan and Deputy Chief Scout of the Boy Scouts of Mysore on the 23rd February 1936. On the occasion of the Opening Ceremony, His Highness the Chief Scout was pleased to send a Message of Good Wishes which ran as follows :—

" Brother Scouts,

I am delighted to send you my hearty felicitations on the happy occasion of the opening of the new building by the Deputy Chief Scout, Sir Mirza Mohamed Ismail. I rejoice to think that your Headquarters will be housed in a building befitting its dignity and its power for good in our State. May it enshrine all that is highest and noblest in our great Brotherhood, ever radiating its beneficent influence and helping the Boy Scouts to play their part in the regeneration of our Motherland "

The Boy Scouts of Mysore have now, of course, a habitat of their own and do feel like having entered upon a new life. But the accommodation when compared to what was available in the Historic building of the Tippu Sultan's Palace leaves much to be desired. The building, as it stands now, is but half or even less than the intended structure. With the

completion of the first floor, it will be possible to meet the many requirements of a Scouty Headquarters, such as a Scouters' den, an apartment for visiting Scouts, a reading room with an up-to-date Library for Scouts, a workshop where handicrafts could be taught to boys, rooms for City and District Scout Headquarters and so on. When

Tippu Sultan's Palace — Headquarters of the Boy Scouts of Mysore for over 15 years

the rooms in the adjacent old Mechanical School building are placed at our disposal, some of these improvements may be accomplished. A fervent appeal is hereby made to the benevolent public, interested in the Boy Scouts, to donate sums of money towards the completion of the Building.

Census.

The annual Census taken as usual in August 1936 is shown in the accompanying table and shows the strength of the various sections over a number of years.

Year end 3rd Oct.	Cubs	Scouts	Rover Scouts	Scouters	Commissioners	Total of all ranks	Increase

1936	4253	5851	1251	591	39	12072	467

The statement given below (Vide—page 6) details how the strength in the branches of our Movement is distributed over the several Districts.

The returns show a small increase in each of the branches. The total increase over the figures of the previous years is 467.

It is also seen from the figures that our numbers which were steadily increasing till 1933, have begun to decline since It is the earnest request of the Headquarters that all those

The Young India Boy Scouts, Madras with our Chief Scout Commissioner at the New Headquarters of the B. S. M.

concerned with the advancement of Scouting in the State will strive towards the expansion of the Movement both in quality and quantity. Headquarters invite suggestions that will

contribute towards eliminating factors which are at present hindering the furtherance of the Movement. In this connection it may be necessary at this stage to remember His Highness the Chief Scout's gracious advice to the Mysore City Scout Council.

> "My attention was drawn the other day to the serious wastage occurring in the Movement. I mean to the boys dropping out of the Movement, when passing out of the Primary to the Middle School or from the Middle to the High School. There seem to be numerous cases of trained Scoutmasters and Scouters dropping out at a time when much is expected of them. If you in the City Council take up a question like this and devise measures to check wastage and if your efforts succeed, as I hope they will, in the wider appreciation by the public of the value of Scouting as a preparation for citizenship and as a corrective to the many defects of the present day schooling, you will have made a valuable contribution to the success of Scouting in the State."

The following statement (Vide—page 8) shows the number of badges issued by the Headquarters during the past 5 years.

Training and Training Camps.

The Census figures show that the number of Scouts coming up to Second Class stage not to speak of the First Class and Maharaja's Scout standard is negligibly small. Improvement in this direction again, demands the earnest co-operation of the Scouter on whose active leadership the efficiency of the troop depends. While a well-organised system of training for Scouters is a necessary feature of any association, it should not be forgotten that mere attendance at training courses alone will not help a Scouter to become a real leader of boys; for

in the words of the Camp Chief "A Scouter's training should go on right through the whole of his Scout life. In the beginning he needs to get a correct and complete grasp of the aims, principles and methods of Scouting and to understand something of the boy's nature generally. As he improves and progresses so he comes to realise that it is necessary for him to keep on learning. In the midst of his practice in Scouting, all the time he is running a Pack or Troop, piloting a Rover Crew, or administrating a District or even large area, he has to remember that his work must be fresh and uptodate and his leadership personal and inspiring.

"The start of Scouting, while enthusiasm is at white heat, is easy; it is later when the first enthusiasm dies down, that the real test of the Scouter comes. He has to induce variety into his work; he has to keep those, whom he is leading interested, he has to know more about each individual one of his followers; he has to be more proficient in his own Scouting because more is required of him. His own initiative must be kept alive."

Wood Badge Courses.

The need for putting every Scouter through the Wood Badge Courses is more keenly felt than ever but the practical difficulty faced by the Boy Scouts of Mysore is the want of a D. C. C. and Akela Leader. The sooner we have our D. C. C. and Akela Leader better it will be for the future training of Scouters.

A list of Training Camps held during the year with particulars as to the number of candidates, the names of Scouters in charge, etc., is given. (Vide pages 10 & 11).

Handicraft Camp — Pachmarhi.

The Boy Scout Association had long felt the need for training Scouters in Handicrafts. As a result of this, it was decided to depute a dozen experienced Scouters to attend a

course in Handicrafts at Pachmarhi. A party, composed of 12 Scouters, attended the course.

At the close of a Practical Instruction Class—
Mr. Deo seen in the centre

The course lasted from the 28th May 1936 to the 8th June 1936. Messrs. Mondloi, D.C.C., Ak.L., and T. Y. Deo, B.Sc., L.T., Provincial Organising Secretaries, Central Provinces and Berar, were in charge of the course. The former was in charge of instruction in Scout subjects while the latter mostly devoted his time to Handicrafts. The course dealt with advanced subjects in Scouting such as Advance Knots, Signalling, Tracking, Estimation, Camping, Axemanship, Ambulance, Map-making, etc. But the major portion of the time was devoted to trainining in Handicrafts and the following subjects were dealt with under this item:—1 Rope making, 2 Industrial knots, 3 Whistle and Bugle cords, 4 String bags—all types, 5 Hammock making, 6 Volley ball and Tennis nets, 7 Chik making, 8 Japan wall chiks, 9 Rope ladders, 10 Rush weaviug (American way), 11 Nawar weaving, 12 Bolt making, 13 Artificial flowers, 14 Calico printing, 15 Wire work, 16 Carpet making, 17 Woggle making.

The list certainly seems so long as to make one wonder how the members could have mastered all the subjects on the

Minister for Education and the Director of Public Instruction, C. P. witnessing a rope-making demonstration

programme. But it must be said to the credit of Mr. Deo, that he was not satisfied until everyone in the course understood the principles and actually made a model. Wire work and

Learning to make string bags and nets

carpet making were the two subjects which were demonstrated, but the members found no time actually to prepare models.

As a result of the training, Bangalore and Mysore Districts have taken the lead and have been conducting classes in Handicrafts.

Scouting in Rural Areas.

Some years ago several members of the State Scout Council, who had realised the immense possibilities which Scouting had for raising the general culture and the economic level of the Villager, brought to the notice of the Headquarters the several measures which in their opinion would help to keep the Rover Crew busy during the vacations in serving the cause of the Villager and popularise Scouting amongst the Panchayats. The Sub Committee appointed in 1933 to suggest ways and means to develop Scouting in the rural areas proposed several methods, but all these methods were however centered round the educational institutions scattered amongst the villages, and the non-teacher was not thought of. To Mr. J. B. Mallaradhya, M.A., a member of the Mysore Civil Service—an ardent Scout—goes the credit of suggesting a practical scheme of training the villager in Scouting, as the work of a man in the spot will have more continuity than that of one deputed from Urban area. The scheme had the additional advantage of making Scouting really attractive and effective in villages. Four Camps were organised solely for the officials and non-officials of the village—men with enthusiasm, influence and character. These were trained up to second class standard, and also had special lectures on Fret Work, Bee-keeping, Tank-repairs, First Aid to animals, Elements of Horticulture and Agriculture, Carpet-making and such other subjects of local importance, and it is gratifying to note that the Heads of the various Departments of the State have been co-operating with us in this work and evincing keen interest in this training scheme and deputing their officers to give lectures at these Camps.

These Camp rs have received enough training to appreciate what Scout service is, and also to start Scout Troops in their respective rural areas and to train them up to the Tenderfoot stages.

The Executive Committee of the Boy Scouts of Mysore, at the last Meeting, have requested half a dozen Scouters, experienced in training methods to examine the syllabus followed in these four Camps and suggest alterations and additions.

District Scout Councils

During the period under report, the ten Districts continued to function. University was constituted as a separate Scout District with effect from 1st September 1936, pending the appointment of a District Scout Commissioner. Headquarters hope that this separation will give the new District opportunity to concentrate on their special problems. The University District where Rover Scouting is the main feature of Scouting has splendid opportunities not only for training of young men under their fold to be worthy citizens but also for moulding every one of them into an able leader of Boys and Men—a leader who could make a fine combination of academic attainments with the practical teachings of a world wide movement. It may also be reasonably expected that the University will soon be able to meet the present want of able leadership within the movement.

Headquarters have felt that the areas now under the jurisdiction of the District Commissioner are too large for effective supervision and more especially for expansion of Scouting in urban as well as rural areas. A further division of the present District into smaller areas to be placed in charge of a District Commissioner (with L.S.A's.) each is sure to increase the efficiency of the work in as much as it brings the Commissioner in closer contact with the Scouters and boys under them. The present District Commissioners (Divisional Commissioner) and District Scout Councils will then correspond to Country

Commissioners and Country Councils whose function will be to co-ordinate the work of the L. S. As without interfering with the independence and initiative of the District Commissioner and L. S. As. with them.

The annexed reports of the activities of the District Scout Councils give an idea of their activities. Headquarters record with satisfaction that the Councils have rendered the necessary help to the District Commissioners for the advancement of Scouting in the respective areas, responsibility for which it may be remembered rests of course on the Commissioner, who is the representative of the Chief Scout and is the technical expert in all matters connected with the advancement of Scouting. The financial statements of the Councils appended with their reports show that the main (the only in case of a number of Associations) source of income is the grant from the Headquarters. The Executive Committee feel that the Councils ought to be able to collect at least a sum equal to the grant from the Headquarters if not more.

Some important activities in the Scout Districts are recorded below :

Bangalore District—The City Scout Association organised a Scout week in December 1935. It was inaugurated by Sir C. V. Raman, N. L. A City Rally was conducted on the next day presided over by Rajamantrapravina S. P. Rajagopalachari, First Member of the Council. Training Scout masters in Musketry and participation of a party of Rovers and Scouts in the Dasara Procession at Mysore are also to be noted. This Council organised a large number of Training Camps and was the pioneer in the field of Rural Scouting. The Bangalore District conducted 3 such Camps during the year and trained a large number of village officers from all over the

District. The number of Scouters trained is 351. The District also arranged for 5 Cubmasters' courses.

The Councils' endeavours to publish Scout literature in the vernacular is also worthy of mention.

The Headquarters also record with thanks the munificent donation by the Bangalore District Board for training the Primary School teachers and for the equipment of Cub Packs, and earnestly hope that other District Boards will follow the lead.

At the close of the year Mr. S. D. Ganesha Rao resigned his office of District Commissionership as he felt that his own professional work did not permit him to devote as much time as the growing needs of the District demanded. In Mr. Ganesha Rao's resignation the District loses a very energetic officer and the Committee record with gratification the valuable service rendered by him during the past 2½ years.

Mysore District shows a steady advance. There are as many as 20 Local Scout Associations and most of them are doing good work. They organised one Cub course and held 11 Scout Rallies in 11 different centres of the District and each one of them was attended by at least one member of the Council. The outstanding event was the Rally of Scouts and Cubs from all over the District held in connection with the District annual competition. His Highness the Chief Scout was graciously pleased to distribute the prizes to the winners on the closing day.

Kolar District held a District Rally at Chintamani in December 1935. The Chief Scout Commissioner opened the Rally and Mr. A. V. Ramanathan, B.A., distributed the prizes on the last day. The Council conducted one Training Camp for Rural Scouters, one Scout course and one Patrol Leaders' course. The Council's aim to have a building of their own is almost accomplished. It is gratifying to note that the District

Commissioner visited 12 places during the year. The Council is planning to introduce Scouting in all the model villages.

Shimoga District held a Training Camp for prospective Cubmasters at Nagar in May 1936. Scouts of Thirthalli rendered service at the annual fair at Yellur Amayre. The question of constructing a building of their own is engaging their attention.

Tumkur District—Held a District Rally in January. The Chief Scout Commissioner opened the Rally and the Director of Public Instruction presided over the last day's function.

Hassan District—Conducted a Refreshers' Course for Scoutmasters. Six out of seven of their Taluk Headquarters have Local Scout Associations.

Kadur District—Held their Seventeenth District Rally in January 1936, which was opened by the Chief Scout Commissioner. They conducted training camp for prospective Scoutmasters at Mudigere. They have Local Scout Associations i.e., at Mudigere and Tarikere.

K. G. F. District—The District Council has just been reorganised. They conducted a course for training Scoutmasters.

Chitaldrug District—Organised a Local Scout Association at Davanagere. The District Commissioner visited all the Troops in his District. This Council is busily engaged in the preparations for the State Rally.

Mysore City District Scout Council—Held Competitions and Rally in connection with the Annual Scout Week in December when His Highness the Chief Scout presided. The Council has to its credit the starting of a service centre and is planning to start one more service centre in another part of the City.

The development of Scouting in the School for Deaf and the Blind Boys is another line in which this Council is

interested. Another special activity of the Council is to organise contingents of Rovers and Scouts to march in the Royal processions during the Birthday and the Dasara.

Special Tests Branch.

Headquarters note with satisfaction the steady progress achieved by the only Group for Handicap boys (Government School for Deaf and Blind Boys, Mysore). The Mysore City Scout Council is bestowing its full attention on this Group which deserves the sympathy of one and all. Headquarters have also allotted special grants to this Group and are prepared to do all in their power to make these unfortunate boys happy. The Group consists of—

20 Blind Scouts
20 Blind Cubs
16 Deaf Scouts
10 Deaf Cubs

Mr. C. Krishnaswami, the H. M. and G. S. M. is in charge of the Group and is assisted by Messrs. P. Gundu Rao and K. Annappa.

Finance.

The main source of income of the Boy Scouts of Mysore continues to be a grant from Government which was Rs. 16,500 in the year under review. The re-organisation of the permanent staff of the Headquarters resulted in a net savings of Rs. 2,260. This sum was diverted to the enhancement of grants to Councils. Headquarters feel that with the increased grants and with their own resources to add, the councils should be able to appoint whole-time organisers who will be able to devote their entire time for the development of Scouting in the Districts.

The Finance Sub-Committee for 1935—36 was reconstituted, all the members for 1934—35 being re-elected and Mr. C. Krishna Rao being appointed in addition. The Personnel of the Committee for the year was :—

1 The Chief Scout Commissioner
2 Major Y. V. K. Moorthy
3 Mr. S. V. Ranganna
4 Mr. T. Ramachar
5 Mr. C. Krishna Rao
6 Mr. D. Ramaiya
7 The Organising Secretary (Convener)

The Sub-Committee met 4 times during the year and transacted the usual business.

Awards.

The Board of Honour for the year under report was reconstituted as follows :—

(5) The Maharaja's Flag to —

The 21st Bangalore Group for the year 1935.

Miscellaneous.

Ambulance--Ambulance continues to be an important activity. A number of classes were held under the auspices of the St. John Ambulance Association which enabled Rover Scouts and Scouts to earn certificates. The Organising Secretary continued to be the Honorary Secretary of the St. John's Ambulance Association and Superintendent in charge of the V (Mysore) Ambulance Brigade District.

The most noteworthy event during the year was the participation of 4 teams from the Mysore State at the All-India Ambulance Competitions, held in Bombay for the Sir Haji Hafiz Obeidulla Shield. The 21st Bangalore Group came out second in this competition.

Swimming—The Dolphin and the Malleswaram Scout Swimming Clubs continued to be popular. Large numbers of Scouts were not only taught the art of swimming but were instructed in the art of Life saving.

Periodicals.

The '*Mysore Scout*' the official organ of the Boy Scouts of Mysore continued to be published and due to various reasons only 6 issues were published. The '*Mysore Makkalu*', the Kannada journal continues to receive the patronage of the Boy Scouts of Mysore. It is a matter of satisfaction that this vernacular publication is slowly gaining popularity.

Our Plans and Coming Events.

The State Rally at Davangere is proposed to come off during the last week of Charistmas. It is hoped that this will be a preparation for a greater event that is the All-India Jamboree at Delhi during the 1st week of February 1937. Headquarters will do all in their power to send an efficient contingent of Scouts which is expected to be atleast 32 strong. A course of training for Commissioners, an Wood badge course in Scouting and atleast 3 refresher courses in 3 different parts of the State for S.M's who have been in service for more than 3 years are some of our aspirations. We also hope that during the year it may be possible for us to complete plans for establishing our Gilwell in some suitable places of the State. It is also decided to request the Districts to organise L. S. As., in each one of the Taluks of the State and appoint A. D. Cs., to be in charge of the areas. Headquarters also hope to start Inland Water Scouting in the coming year.

Conclusion.

The Executive Committee cannot bring their report to a close without tendering their most humble, heartfelt and loyal gratitude to His Highness the Maharaja, their Patron, to

His Highness the Yuvaraja, their Chief Scout, to Prince Jaya Chamaraja Wadiyar, their Chief Cub. The abiding interest in the Movement of the Royal family has been a source of great inspiration to all workers and sympathisers and has made the Movement the great force that it is to-day all over that State.

The Boy Scouts of Mysore do hereby thank all Scouters, Badge Examiners and Instructors and other workers in the field but for whose active support the Movement could not have done any work.

By Order,

THE EIGHTH ANNUAL REPORT—1935-36

Congratulations.

Our esteemed President was elevated as the Revenue Commissioner in Mysore.

Our Vice-President Mr. A. V. Ramanathan was elevated as the Commissioner for Industries in Mysore.

One other Vice President of ours, Mr. B. K. Garudachar is the recipient of the title of 'Rao Bahadur' and Major

Y. V. K. Moorthy, a member of our Council, has been appointed as Deputy Chief Scout Commissioner.

Our heartiest congratulations are due to every one of them. We wish them greater advancement in life and higher offices of responsibility and distinction.

General Activity.

The activities of all sections of our boys, and men, continued to maintain a high level of efficiency, the outstanding features being the following :—

1. Celebration of the Scout Week in Bangalore City and in the mofussil. Considerable attention was centred in displaying Scout Craft and on doing Good Turns during the whole Week. Several distinguished citizens participated in our festivities. The Week was inaugurated by Dr. Sir C. V. Raman and the closing celebrations were presided over by Rajamanthra Pravina S. P. Rajagopalachari, First Member of Council.

2. On the occasion of the Opening Ceremony of the New Scout Head Quarters Building, a general Rally of all the City Units was held in the spacious grounds of our Head Quarters. The Deputy Chief Scout Sir Mirza M. Ismail, K.C.I.E., presided and took the Salute.

3. A batch of our Scouters took training in Musketry during a period of two months. They were trained in Foot Drill and Physical Culture in the Head Quarters' Grounds and for Firing practice they went to Hebbal. They have all come out successful in the training. We expect to use their knowledge and experience in improving the smartness of our boys.

4. For the first time in the history of Bangalore Scouting, our boys were accorded the privilege of offering loyal greetings and respects to our Royal Patron at Mysore during the Birthday Celebrations. A contingent of 60 Scouters

participated. We expect to be able to depute another contingent to Mysore during the Dasara Celebrations.

5. A Training Camp for Scouters from different parts of India was organised by the Central Provinces Boy Scout Association. They kindly gave seats for some of our Scouters. Two of our senior officers went to the camp and have come back duly qualified. They have now been running a training course in handicrafts for the City Scouters.

Training Camps.

There were several Training Camps held for the benefit of the District Scouters during the year. They are briefly these :

1. In the months of January, February and March 1936 a course of training was given to the school master-students of the District Normal School, Bangalore. During the week-ends, instruction was given first in Cubbing and later in Scouting. In the end there was a two day camp in the Minerva Grounds. Mr. C. Subba Rau, M.A., was in charge of the training and he was assisted by Mr. B. Krishnaswamy, B.A.,B.T.

2. There were four Cubbers Camps at the following centres :—

1. Bangalore
2. Anekal
3. Devanahalli
4. Nelamangala

in the months of June and July 1936. These camps were mainly for the benefit of the School Masters of the Primary Schools in the District. In all, 142 persons have taken training. They have started work in their schools on their return. It is to be mentioned that the entire cost of these camps has been borne by the Bangalore District Board under a special grant. A further welcome feature of this branch of activity is that an additional grant of a sum of Rs. 500 is still available for expansion of work among the Primary

Schools of the District. We expect to employ this munificent gift of the District Board with profit in the near future.

Rural Scouting.

Some time last year it was decided to introduce Scouting in Villages. A resolution to this effect was passed at the State Scout Council in October 1935.

The first camp for imparting training to Village Officers was conducted at Doddaballapur for the village officers of Doddaballapur Sub-Division in December 1935. Sixty-three Campers took training and most of them have been doing useful work in their villages. Mr. J. B. Mallaradhya, M.A., Asst. Commissioner, then in charge of Doddaballapur Sub-Division, was the pioneer in this branch of activity and he has done yeoman service to the cause of Rural Scouting. The camp was held in the grounds of the Y. M. C. A. Rural Reconstruction Centre at Basettihalli near Doddaballapur. The officers of this Centre helped us considerably. Our grateful thanks are to them.

Our President kindly presided over the Rally on the closing day. The Chief Commissioner exhorted the Campers with his inspiring address.

2. The second camp was held in February 1936 at Archakarahalli, near Closepet for the benefit of the Village Officers of the Closepet Sub-Division. In all, 128 men took training and they have started work. Mr. T. Rangasami, B.A., Assistant Commissioner in charge of this Sub-Division extended to us very hearty and enthusiastic co-operation. On this occasion a Village Industries Exhibition was also organised by Mr. Rangasami close to the camp site. It served to stimulate an intelligent interest in the handicrafts most suitable for village needs.

Our President kindly opened the Camp. On the closing day, Mr. N. Madhava Rau, the Second Member of Council, presided over the function. A number of distinguished citizens and

officers paid visits to this Camp. It was the unique good fortune of this Camp that it caught the attention of Our Royal Patron and the Chief Scout on their way from Mysore to Bangalore. The Dewan Saheb very kindly paid a visit to the Camp and spent over an hour in the camp grounds and he took keen interest in our activities.

3. The third camp was held on a picturesque hillock called Savige Mallappana Gudda which is opposite Sarakki village, near Bangalore, in order to serve the Village Officers of the Bangalore Sub-Division. One hundred and ten campers took training. They are actively taking part in rural reconstruction work, and scouting in particular. Mr. K. Basavaraja Urs, M.A., LL.B., Asst. Commissioner in charge of the Bangalore Sub-Division took very keen interest and his hearty co-operation promoted the success of the camp in a great measure.

The camp was opened by our worthy Vice President Mr. A. V. Ramanathan, B.A. The special feature of this camp was that great attention was concentrated upon practical reconstruction work in the Sarakki village which the campers themselves undertook with the willing co-operation of the residents, of the locality. It may be stated that tangible work was achieved.

Rajamantrapravina S. P. Rajagopalachari, First Member of Council, who presided over the closing Rally, our esteemed President and the Chairman of the Headquarters Executive, inspected the practical reconstruction work done by the campers and expressed their appreciation.

In all these Rural Scout Camps instruction was given in the following subjects :—

1 Scouting up to Second Class stage ;
2 Village Sanitation ;
3 Co-operation ;
4 Horticulture and improved forms of Agriculture ;

5 Tank and Road repairs;
6 Apiery, Poultry farming and cattle breeding;
7 First-aid according to Ayurvedic and Allopathic systems;
8 Spinning with takli, lacquor work, tape-making and other minor handicrafts;
9 Treatment of cattle diseases;
10 Fruit preservation.

Special mention must be made of the invaluable services of Messrs. S Muninanjappa, B.A., LL.B., then Amildar of Doddaballapur taluk and Syed Abdul Aleem, B.A., then Amildar of Bangalore Taluk for their untiring efforts at the Camps. There was another feature of importance connected with the third camp. Mr. Iyengar of the Cement Marketing Company of India offered to collaborate with the campers and demonstrate the practical utility of Cement in Village Economics. He very kindly supplied cement free of cost and supervised the work of the campers, in this behalf. We are extremely grateful to him and to the Company of which he is such a distinguished representative.

Mr. C. Sesha Char, M.A., Meteorologist to Government and Assistant District Scout Commissioner in charge of Development and Reconstruction Work in Bangalore District was in charge of these Camps. He was assisted by Messrs. C. Subba Rau, C. Rangaswamy, H. V. Venkatanarayanappa, B. N. Narayana Rao, G. R. S. Naidu, B. S. G. Shamiah, S. R. Dovlur, C. Sadasiva Rao, B. Laxmipathy, Athmaram and other old Scouters of experience and ability. I thank them very much for their selfless service.

The various officers of Government directly connected with Village Up-lift work took personal interest in our activities. They not only visited the camps and gave talks on their particular subjects, but also arranged for practical demonstrations and instruction. Our grateful thanks to them all.

These camps bore fruit very quickly. The Patel of Padavanagere in Kankanhalli taluk started work in his village; whereupon other neighbouring villagers repeatedly asked for training. On their requisition a camp was held at Padavanagere in the middle of June 1936 for a period of ten days. Several adults of the neighbourhood were trained, and they have commenced to serve their localities.

It may be mentioned that in the light of the present programme of Rural Reconstruction work adopted by Government this branch of Scouting has great potentialities and it deserves even greater attention in the coming years. The results so far seen are quite encouraging and bear promise of considerable usefulness.

Literature.

The extention of Scouting into villages necessarily brought with it a demand for vernacular literature. Books were compiled to deal with pure Scout craft and also with Ayurvedic principles of First-aid to suit village conditions. These books are found to be useful and are much in demand. It is necessary to develop this branch of our literature as much as possible, in the future.

Finances.

Our steady sources of income have been as heretofore, the grant from the Headquarters and from the Bangalore District Board and the Bangalore City Municipality. The usual grant of Rs. 250 which was being made available to the Bangalore City Association was raised to Rs. 400 in answer to their request for greater grants. This entailed curtailment to some extent, of our resources. But luckily we obtained further grants from the Bangalore District Board. They sanctioned a sum of Rs. 500 earmarked for the purpose of running Training Camps solely for the training of the Teachers of the Primary Schools in the District as Cubmasters. The Camps

were accordingly conducted and a large number of workers have been trained. The District Board have also sanctioned another sum of Rs. 500 for the purpose of providing equipment for the Cub Packs of the Primary Schools. This sum of money has to be utilised in the next few months in consultation with the District Board Authorities. The amount is with them. Our very grateful thanks are due to the District Board and the School Board for their valuable help and co-operation. It must be mentioned in this connection that the District Educational Officer and the Chairman of the School Board gave great impetus and assistance in the running of these Camps. All the Assistants of the School Board took personal interest in the camps and were actually in direct charge of all the camp arrangements. We are grateful to every one of these gentlemen.

We are financially perfectly sound. Our cash balance on 1st July 1936 is Rs. 2,152-13-1.

Distinctions.

1. The Maharaja Flag which is awarded to the best Troop in the State has been won by this District.

2. In the All-India Ambulance Competition held at Bombay this year one of our Units has obtained the second Rank.

These two distinctions were won by the 21st Bangalore Chamundy Troop. Our congratulations to them.

Decorations.

The Headquarters Executive Committee have approved of the award of Thanks Badges to :

Messrs.

1 J. B. Mallaradya, M.A.
2 T. Rangasami, B.A.
3 K. Basavaraja Urs, M.A., LL.B.

4 Syed Abdul Aleem, B.A.
5 S. Muninanjappa, B.A.,B.L.

in recognition of the meritorious services rendered by them to the cause of scouting. Our warm felicitations to every one of them.

2. On 3rd June 1936 one of our Scouters, Mr C. Rangaswamy, B.A. formerly Superintendent of the Military Stores and Group Scout Master, 2nd Bangalore, successfully rescued some ladies and children at considerable and grave danger to himself. He has since recovered from the effects of the injury caused to his person in this connection. His has been an act of heroism and fearless service. A recommendation has been made to the Headquarters for the award of a Medal for Gallantry to him and its approval is awaited. Mr. Rangaswamy deserves the goodwill of all of us.

Our Thanks.

Our thanks are due to every one of the gentlemen who have helped us in all our activities. It would be inviduous to mention names, for, our friends have been so many. This is a silent offer of our gratitude to one and all of them.

Prospect.

The future before us is bright. We have a large number of trained workers, particularly in the field of rural reconstruction. We ought to be able to achieve good results in the course of the next few months in imparting sustained enthusiasm to our village brothers.

With sympathetic supervision as at present obtaining, Cubbing in the District has also a good future before it.

We wish good Scouting and plenty of Camping to one and all in the next year.

Supplemental Report for the period ending with the 30th September 1936.

The Annual Report presented a few minutes ago gives a brief outline of the work of the Council and of the District Commissioner for the last official year. In view of the fact that I am handing over charge just now, I feel it is my duty to present this additional Report for the subsequent quarter ending with yesterday.

Training Camp.

A Cubmasters' camp was organised at Nelamangala in July last. But for purposes of statistics, it has been included in the Report for last official year.

We are preparing for sending a contingent to Mysore for the Dasara Festivities.

Handicrafts have been receiving some close attention. Messrs. C. Sesha Char and B. Krishnasamy who had gone to Pachmarhi for training in handicrafts have taken up the work seriously on their return to Headquarters. A sum of Rs. 25 has been advanced for this activity. Mr. C. Sesha Char is in charge of this section and he has given me a programme for future work which needs some more money. It will be extremely useful to make further funds available to him. I regret that I could not take the previous consent of the Council before advancing this sum of money. I now request you to pass this expenditure.

Finance.

This reminds me of the accounts of the Council during the period when I had the privilege of working with it as its Secretary and as the District Commissioner. I am not a very good hand at keeping accounts. As far as possible, all payments have been made by cheques which has solved many practical difficulties in obtaining and preserving receipts. In several cases, roughly at least once in connection with every

camp and on occasions of outings to Mysore etc., some imprest money has had to be drawn and spent for all sundry miscellaneous items. It is difficult to keep accounts in these cases. I can however assure you that every pie of these withdrawals has been truly and correctly spent for the purpose for which they were intended. The files will contain a certificate to the effect that the moneys have been properly spent. I trust that you will kindly accept this explanation.

Fixed Deposit.

A sum of Rs. 2,000 has been placed in Fixed Deposit with the Indian Bank Ltd., Gandhinagar, for a period of one year in the name of the Council.

Clerical Work.

Mr. S. V. Hanumantha Rao has been serving the Council for the past two years and he is receiving an honorarium of Rs. 10 a month. I wish to record herein the excellent and untiring work that he had done all along. He has devoted himself wholeheartedly to his work. He deserves your kind attention.

Photographs.

In all camps photos have been taken and a copy of every one of these exposures has been sent to the Headquarters with a request that they may be put up there. Since we have no home of our own it was considered best to have these photos in the hall of the Headquarters. This item has cost a sum of Rs. 25 only during all this period, since the photographer was also one of our scouters and he charged at concession rates. I hope that you will kindly approve of this item of expenditure.

Our Home.

This subject reminds me of the need of having a home of our own. We are now able to have a building of our own. We have two thousand rupees. The Bangalore City Association has one thousand rupees. With this sum of money and

with the assistance of any further sums that may be obtained from the Municipality, the District Board and other institutions and from generous citizens it will not be difficult to think and plan for having a building of our own. I commend this idea for your consideration.

Thanks.

Lastly it is my pleasant duty to offer to every one of you and to all friends who have co-operated in the work of the district during these two years and odd with me, for your unfailing kindness, co-operation and goodwill.

May I thank our esteemed President for his indulgence in the many lapses of mine as Secretary of the Council.

Good Wishes.

To my friends who will be stepping into my place I wish to offer my sincere and warm congratulations on their well deserved promotion and I wish them a useful and successful career during their term of office.

Let me thank you all again.

Bangalore,
1—10—36.

Personal Secretary to H. H. the Yuvaraja

The District Scout Council.

The Council consisted of 69 Members. There were no changes in the office-bearers.

Local Scout Associations.

Local Scout Associations were newly started at Nanjangud and Periyapatna. There were altogether 20 Local Scout Associations, and their reports showed increased activities in most of the centres. Saligrama, Bellur, Nagamangala, Sivasamudram and T. Narsipur kept the reputation which they built up for their progressive work.

Bellur and Nagamangala started 2 Cub Packs and 1 Scout Troop in Urdu Schools. The Headquarters were pleased to appoint Mr. B. Beerappa, Amildar and President, Nagamangala

Local Scout Association, Assistant Commissioner of Scouts for the area.

Bellur was fortunate in having its own Scout Hall built and presented to it by its prominent and public spirited citizen Mr. A. Thammaiya.

The following were the centres of Local Scout Associations :—

Bannur	Maddur
Bluff	Melkote
Bellur	Nagamangala
Chamarajanagar	Nanjangud
Heggadadevanakote	Saligrama
French Rocks	Sindaghatta
Kikkeri	T. Narsipur

Training Camps.

A Cub Training Camp was held at Chunchanagiri in April 1936, thanks to the generous help and hospitality

received at the hands of His Holiness Sri Gurunathaswamy of Chunchanagiri. About 30 mem underwent training at the Camp, Mr. H. K. Srinivasa Rao of Mysore and Mr. Kasyap of Bangalore being in charge of the training. The whole credit of the success of the Camp was due to the initiative and organization of the Local Association, Bellur, through its able and energetic Secretary Mr. P Mopuraiya Chetty. Rao Saheb M. Ramaswamy and Mr. F. C. Devaraj Urs and Mr. M. A. Narayana Iyengar, on behalf of the Mysore District Scout Council visited the Camp and took part in the celebrations of the final day, Rao Saheb M. Ramaswamy presiding.

Rallies and Camps.

The Local Scout Associations took commendable initiative in organising local rallies and other functions. In response to their invitations, members of the District Scout Council attended the functions and took part in the celebrations. Great enthusiasm prevailed in all the centres. These Rallies served a very useful purpose in affording opportunities of contact between the Council and the Local Scout Associations and keeping up the spirit and efficiency of the units unimpaired.

11	Chunchanagiri	16-4-36	Rao Saheb M. Ramaswamy Mr. M. A Narayana Iyengar Mr. F. C. Deveraj Urs

It is noteworthy that the T. Narsipur Rally was held entirely at the cost of Mr. Sivalingaswamy, the landed magnate of Talakad, and a Mahaposhaka of this Council, who generously treated the Scouts and Scouters gathered at the Rally at Mudukatore as his guests.

Scout Competitions and Grand Rally at Mysore.

The Council decided on holding annually the District Scout and Cub Competitions for the award of H. H. The Chief Scout's Cub Shield and the late Rao Bahadur Dharmaprakasha D. Banumaiya's Scout Shield. Competitions of the first year were held in Mysore City from the 26th to the 29th December 1935. The Mysore City Council also joined hands by organising similar Competitions for the City Scouts and Cubs and both the Councils worked together in holding the Competitions.

About 250 Scouts and Cubs from all parts of the District took part in the Competitions and in the daily Camp Fire entertainment. The programme included all the items generally held for the Scouts and Cubs, and calculated to raise the standard of their efficiency. A Scout Camp was run for the competitors in Mysore for three days.

The Grand Rally in conclusion of the Competitions came off on the evening of the 28th December and honoured by the gracious presence of our beloved Chief Scout and the Chief Cub and attended by a large gathering of ladies and gentlemen. After the march-past, an interesting programme of

display was gone through. An address of welcome was presented to H. H. the Chief Scout and the Chief Cub by Mr. B. T. Keshava Iyengar, President of the District Scout Council in the hollow of a log of jungle wood carried by a tusker, wearing a Silver Chain with two gold bells, a characterestic souvenir reminiscent of the Scouts. H. H. the Chief Scout graciously presented the winners of the Competitions with the Shields and other prizes awarded by the Council. His Highness spoke words of advice, cheer and encouragement to the assembled Scouts and Cubs.

"I am glad to see that the Report of the Mysore District Scout Council discloses considerable local effort and enthusiasm in the cause of Scouting," said His Highness the Chief Scout. "I see that your strength lies in ideas, in the selection of a good plan, and in the determination to push it through.

"In connection with your schemes of work, I wish to suggest that you should pursuade your Local Scout Associations to take up the duty of training and equipping Scouts for social work and to fit them to instruct villagers in hygiene, cleanliness, sanitation, co-operation and thrift and in other useful subjects. I know the District Scout Councils have realised that this is one of the best ways of making the benefits of the movement felt in a tangible way by the public at large. But I wish to see concerted action taken on progressive lines."

In conclusion Professor A. R. Wadia proposed a hearty vote of thanks to H. H. the Chief Scout and the Chief Cub for their gracious presence amidst the Scouts.

On the final day of the celebration a grand route march of all the Scouts and Cubs of the District and City with the leaders was organised, followed by a conference of all the Scouters.

The following is the Statement of the results of the Competitions:—

His Highness the Chief Scout's Shield for Cubs.

1st prize — Saligrama Middle School Cub Pack.
(In the shape of the above Shield)
2nd Prize — Bellur Kannada Primary Boys School Cub Pack.
3rd Prize — Tippur (Krishnarajanagar Taluk) Primary Boys School Cub Pack.

Life Saving Badge.

The Narasimharaja Life Saving Badge was awarded by the Scout Headquarters to Rover P. Clarke of Sivasamudram, in accordance with the recommendation of the Council, for pluckily saving the life of a poor woman, who accidentally fell in a canal and rapidly carried away by the current. The Scouts of the District are proud of Mr. Clarke's gallant act, done at great personal risk.

Acknowledgment.

The Council much appreciated the unsparing services of Mr. H. K. Srinivasa Rao in going round the Local Scout Association Centres on an instructional tour. He did very good service in getting Scouts and Cubs in most of the centres trained for the Competitions, visiting with alacrity all the units which requisitioned his services.

Finance.

The income of the Council from the various sources amounted to Rs. 1,632-8-2 in the year. The Council's grateful thanks are due to H. H. the Chief Scout for his gracious donation of Rs. 200.

The investments of the Council in the shape of the Fixed Deposits amounted to Rs. 7,000.

The statement of Receipts and Expenditure is appended. Messrs M. Veeraraj Urs and K. Mallaraj Urs kindly audited the accounts of the year 1935-36. The sincere thanks of the Council are due for their kind services.

Brief Report of the Working of the District Scout Council, Kolar during the year 1935—36.

President, Ladies and Gentlemen,

On behalf of the District Scout Council, Kolar, I have much pleasure in welcoming you to this our Seventh Annual Meeting and to place before you a brief Report for the year ending June 1936.

During the year under report the Council had six Ordinary Meetings and one General Annual Meeting.

Local Scout Associations.

At present there are Local Scout Associations in the following places :— Kolar, Mulbagal, Chintamany, Chickballapur, and Gudibanda. Excepting those at Kolar and Gudibanda the others are not working satisfactorily. Earnest

attempts are being made to revive defunct Associations and start fresh ones so that each Taluk Headquarter should possess an Association.

Strength.

According to the last Census there were 21 Groups, 51 Troops, 62 Packs and 2 Crews consisting of 806 Scouts, 1108 Cubs, 108 Rovers, and 125 Scouters thus making a total of 2147. At present there are 20 Groups, 36 Troops, 40 Packs and Crews consisting of 762 Scouts, 1002 Cubs, 110 Rovers and 106 Scouters in all making a total of 1980.

Third Kolar District Scout Rally.

(*a*) *Rally and Camps* :—This was held in the spacious grounds of the Municipal High School, Chintamany, from the 25th December to 28th December 1935. The response for the Rally was very good. The number of registered Campers was 400. Scouts representing 22 Units from 19 places participated. The Campers were all housed in tents. The Rally was opened by the Chief Scout Commissioner later than was announced owing to rain.

After the opening of the Rally the Chief Commissioner presented a Thanks Badge to Mr. V. R. Chikkachennanajappa Setty. The Deputy Chief Commissioner, Mr. C. Subba Rau, ex-Organising Commissioner, Mr. K. Chengalaraya Reddy, President, District Scout Council, were among the distinguished visitors on the said day.

Competitions in Flag Staff Construction, Message Relay, Signalling, Knot Race, First Aid, Fire Lighting and Cooking were held in which a large number of Troops participated. The Campers had a hike to the neighbouring hill. Mr. A. V. Ramanathan, Chief Secretary, presided over the concluding day's proceedings and distributed prizes and certificates. The outstanding features of the Rally were the presence of the Band set of Chickballapur and Nandi Scouts who had only

training for a couple of months, the presentation of a Rolling Shield for the best Troop in First Aid offered by Mr. M. Subba Rao, Advocate, Chickballapur, the presentation of a Rolling Cup for the best Troop that does the largest number of Good Turns instituted by Mr. B. T. Char, Provincial Secretary to Bombay and lastly the publication of a Boy Scout Calendar.

A Conference of Scouters was also held under the presidentship of Mr. C. Subba Rau, ex-Organising Scout Commissioner.

The success of the Rally was mainly due to the kind enthusiasm and co-operation of the Amildar and several merchants and non-official gentlemen who came forward with liberal donations in cash and in kind and prizes

(*b*) *Training Camps.*—(i) For the first time in this District a Training Camp for Patrol Leaders was held at Antharaganga between 21st and 25th November 1935. The Local Scoutmasters' Association was entrusted with the responsibility of conducting the said camp with the close supervision and co-operation of the District Scout Commissioner. Fifty-one Scouts from various Middle Schools were trained. The Chief Scout Commissioner invested the Patrol Leaders. The results of the said Camp are being closely watched.

(ii) Rural Scouters' Training Camp at Alakapura—13th March to 22nd March 1936.

Thanks mainly to the enthusiasm of Mr. Md. Ismail Sheriff, Assistant Commissioner, Chickballapur and Mr. T. Rangamalliah, Amildar, Goribidnur taluk (both of whom are transferred) the above Training Camp was held at Alakapura near Goribidnur for the purpose of giving Scout Training to Village Officers, Landlords and other gentlemen in rural parts, so that they can spread and disseminate the ideas of Scouting in their Villages. Fifty-five gentlemen mainly from Goribidnur taluk and some from Gudibanda and Sidlaghatta

taluks underwent training. The Camp was mainly in charge of Mr. C. Subba Rau, assisted by various gentlemen. Along with the usual syllabus followed in preliminary Scout Training Camps instructions were givien in Village Sanitation and Personal Hygiene with special reference to popularising of Soak pits, Borehole Latrines, maintenance of correct statistics regarding Birth and Death, formation of inter-village roads, prevention and cure of epidemic diseases such as Plague, Cholera, Small-pox etc., cleaning up of wells, Veterinary Science with special reference to prevention and cure of diseases to animals, Horticulture with practical demonstrations, Agriculture with special reference to improved methods of agriculture, First aid to men and animals, the Boy Scouts and Village Co-operation, and Insurance. The Camp concluded on 22nd March 1936 when Mr. K. V. Anantharaman presided and distributed certificates to the Campers under training.

(iii) Scoutmasters' Training Camp at Guttahalli—8th to 18th May 1936.

The above Camp was held at Guttahalli in Bowringpet taluk. Twenty-three Campers including 3 from the K. G. F. and 2 from the Mysore District underwent training. The Camp Chief was the District Scout Commissioner and Messrs. M. Venkatakrishnappa, District Scoutmaster and B. N. Mallappa, Assistant Scout Commissioner, were the instructors. The Chief Commissioner addressed the Campers under training on the evening of the 17th May 1936. The Camp broke on the 18th morning.

Visits.

The District Scout Commissioner visited 12 places during the year. He represented this Council on the Headquarters Executive Committee and attended all the Meetings held at Bangalore. He was also a member of the Finance Sub-Committee and attended several Meetings thereof. The District Scoutmaster visited 11 places, organised public meetings and

offered suggestions to Scoutmasters and Cubmasters in the matter of starting and running units.

Messrs. S. V. Krishnamurthy Rao, B. N. Mallappa and H. S. Madhava Rao were the Assistant Scout Commissioners during the year. The Organising Secretary Mr. Abdul Gaffar toured in this District in August 1936.

Special Events and Activities.

The birthday celebration of H. H. the Maharaja, H. H. the Chief Scout and Chief Cub were celebrated by the several Units.

The Scout Week was observed as per programme sent by the District Scout Commissioner between the 6th and 12th December by most of the Scout Units.

The Kolar Scouts presented guard-of-honour on the occasion of the laying of the Foundation Stone of the Hospital at Kolar by H. H. the Chief Scout on 11th December 1935.

The Chief Cub, Prince Jayachamaraja Wadiyar visited Chickballapur at the opening of King George V Memorial Child Welfare Centre when the local band set, Scouts and Cubs, presented guard-of-honour and loyal respects to the Chief Cub.

The Nandi Scouts were of immense help on several occasions and particularly during the Civil Service Association Meeting on the Nandi Hills on the 8th and 9th February 1936.

The tour of Mahatma Gandhi in this District provided Scouts an occasion to offer their service to control crowds.

A mourning parade was observed throughout the District on 16th February 1936 on account of the sad demise of late King Emperor George V.

Papers and Magazines.

The Council has been getting four English and one Kannada Journal on Scouting.

Finance.

Accounts have been brought up to the end of June 1936. The total Receipts including the Opening Balance of Rs. 737—7—0 amounted to Rs. 2977—10—4 and the total expenditure amounts to Rs. 1,965—3—9 leaving a sum of Rs. 1,012—6—7 as the closing balance apart from a sum of Rs. 300 in Fixed Deposit in the local Co-operative Society.

The Council has scrutinised every item of expenditure and has sanctioned proper equipments to the Units. During the year, equipment of the value of Rs. 67—6—0 has been supplied to various Troops and Packs. The main sources of income have been the grant from the Scout Headquarters and the District Board, Kolar.

The accounts have been audited by Mr. B. M. Krishnamurthy Rao, Accountant, District Education Office, Kolar. The Audit Report together with the audited statement of Receipts and Expenditure are placed before you for approval.

Prospect.

The Mysore State Rally is expected to come of during the ensuing X'mas at Davangere. It is hoped to send an efficient Contingent of at least 32.

Arrangements are going on for the holding of an All India Jamboree at Delhi between the first and the 7th Feb. 1937. The State Scout Headquarters are anxious that every District should be represented at the All India Jamboree. The only impediments in the way of sending a good number is one of distance and of finance. However, it is necessary that at least one Patrol consisting of half a dozen good Scouts should be deputed to attend the All India Jamboree.

The plan and estimates for the District Scout Headquarters Building are all ready and approved by the Government Architect. The question of laying the Foundation Stone for the said building is under the consideration of this

Council. It is hoped that the actual construction of the work will be taken up immediately after the Dasara holidays.

I should be failing in my duty if I do not thank the District Board, Kolar, for their generous donation of Rs. 1,000 for the Scout Building and the Kolar Town Municipality Rs. 250. I have also to thank the Registrar of Co-operative Societies for kindly issuing a circular to all Urban Societies in this District permitting them to contribute towards the Building Fund out of their charity or other funds. The benefit performance by the G. A. Circus of Bombay afforded a nucleus for the fund and the members of the Tenali Rama Vilas Sabha contributed their humble mite also by a benefit performance.

Some of the Municipal Councils have also contributed towards the said fund. But still the anticipated amount has not been realised. The Council earnestly hope that other persons charitably and philanthropically minded would come forward with liberal donations.

The results of the Rural Scouters' Training Camp, held at Alakapura recently is being closely watched. Some of the Campers have already started Scout Troops and Rover Crews.

Apart from the usual Training Camps it is proposed to run a special Camp of Scouters in rural parts in Chintamany taluk this year. The Government seem to have selected two villages in each Taluk for special Rural Reconstruction Work. It is proposed to see that a Scout Troop is also started in the said model villages.

A Scout Troop has been started in the newly opened Sri Narasimharaja Hostel, Kolar for Adi Dravidas.

Two of the prominent members of the Council Messrs. T. G. Rama Iyer, Deputy Commissioner and M. A. Narayana Iyengar, District Educational Officer have left this place on transfer and our thanks are due to them for their valuable

services. They have been succeeded by equally enthusiastic gentlemen in Messrs. J. Appaji Gowda and H. P. Narayana Rao.

Such, in brief, is the Report of the position to Scout Movement in the District. The total number of Scouts and Cubs have not increased but attempts are being made to improve the efficiency thereof.

In conclusion, I wish to express my sincere and heartfelt thanks to the President and Members of the Council for their sympathy and support; to Messrs. T. G. Rama Iyer and J. Appaji Gowda for their sympathetic guidance; to the President, District Board, Kolar, for his enthusiastic co-operation and support; to Mr. M. A. Narayana Iyengar, District Educational Officer, for his ever-ready co-operation; to the Assistant Commissioners and to all Scouters in the District for their ungrudging labours for the advancement of the Movement.

On behalf of the Council, I thank the Scout Headquarters, the District Board and other local bodies and individuals for their contributions during the year.

T. RAMACHAR,
Secretary,
District Scout Council, Kolar.

Report.

Ladies and Gentlemen,

I have much pleasure in placing before you a brief Report of the working of the District Scout Council for the year 1935-36.

The affairs of the Council were managed by an Executive Committee consisting of Messrs. K. Srikantiah, A. Krishnaswami Rao, C. Ramanuja Iyengar, B. Subbannachar, T. Gurunanjiah and Mahammud Badroodin, with the office-bearers.

The total strength as could be ascertained from the Census Reports is 125 Cubs, 584 Scouts, 72 Rovers and 41 Officers making up total of 822. This figure is a little above the figure for the past year which is 704. But for the fact that some Units are not able to work on account of the transfer of Scoutmasters with no one to take their place, we should have

had a considerably large number of them. In many other schools Scout Units have not been started for want of qualified Scoutmasters.

Apart from the monthly Rallies and the Scout Week Celebrations the biggest event for the year was the District Scout Rally. The Council took advantage of the presence of Justice K. Shankaranarayana Rao, M.A., B.L., Chief Scout Commissioner and Mr. N. S. Subba Rao, M.A., (Cantab.) Bar-at-law, Director of Public Instruction in Mysore to celebrate the event. The response was so great that the Council had to recast its Budget to make adequate provision for the Rally.

In all, 19 Units consisting of 392 Scouts and Rovers participated in the Rally. They were lodged in the premises of the High School. The boarding arrangements for the Veerasaiva section were kindly undertaken by the authorities of the Jayadeva hostel. While the arrangements for the general section were looked after by a Committee consisting of Messrs. B. Subbannachar, B. Rajanna, H. K. Gopal and B. Krishnamoorthy Rao.

The arrangements in the arena were made by a Committee consisting of Messrs. S. Bhyrappa, V. S. Ramachandra Rao, S. V. Ranganna, H. L. Hariyappa and B. Krishnamoorthi.

On the occasion the Council awarded 9 cups and 42 Certificates to successful Units.

Two Scouters, Messrs. B. Krishna Moorthi and S N. Seetharamaiah were sent from this district to undergo an advance course in Handicrafts at Pachmarhi, Central Provinces, and both of them have come back successful. It is earnestly hoped that with their help our Training Camps would be more beneficial and practical.

A statement of Receipts and Expenditure is annexed

hereto. The Council hopes to replenish its Library and Stores during the coming year.

Mr. N. C. Gopalaiengar, B.Com., Certified Auditor and Assistant Master, Government High School has been kind enough to audit the accounts of the Council for the year under report and the Council tenders its warmest thanks to him.

Strength.

During the year there were 19 Packs with 21 Cubs, 26 Troops with 570 Scouts, 4 Crews with 66 Rovers and 62 Scouters.

Walking Tour.

A Patrol of 8 Rovers went on a walking trip to Mysore to witness Dasara in Mysore in October 1935.

Scout Week

Scout Week was celebrated at Sringeri, Lingadahalli and Kadur. At Chikmagalur it was celebrated on 12th, 13th and 14th of December 1935. On the first day Cub Display and a Talk on Handicraft formed the programme Scout Display and a Talk on Nature Lore was the programme for the second

day. On the third day a combined Display and Camp Fire were given under the presidency of Mr. M. Abdul Hukh, Deputy Commissioner of the District.

District Rally

On 19th, 20th and 21st of January 1936, the Seventh Rally of the Boy Scouts of Kadur District was held at Chikmagalur under the Presidency of Mr. Justice K. Shankaranarayana Rao, the Chief Scout Commissioner. In opening the Rally he remarked, "It looks as though the Malnad of which I myself am a product is a better home for the Scout Movement. I am glad to hear of the various achievements of the Scouts of your District. You have earned a name not only in Mysore but in places outside Mysore such as Dharwar where you distinguished yourselves by your performances. Recently some of you went to Mysore on a walking trip and thus made a name for yourselves. Let us all try and make ourselves model Scouts of a model State."

Competitions were held in Physical Jerks, Flag Staff Construction, Knots, First-aid, Bridge building, Hut building and Signalling. Camp Fires were held on the 19th and 25th nights, on the 21st morning after mass drill and Flag Break, Competitions in Scout Games, Judging Heights and Distances, Swimming, Cubbing and Kit arrangements were held. When Scouts were at their midday meal, the news of the passing away of the beloved Emperor King George V was received. Two minutes silence was observed and silent prayers were offered for the peace of the departed soul and comfort, patience and fortitude of our Gracious Queen Mary, Edward Prince of Wales and the rest of the Royal Family. The flag was half masted and all further activities were cancelled. At 7 P. M. in the evening in the presence of a large gathering of ladies and gentlemen a Memorial Service was conducted. Scouts returned to their respective homes next morning.

Mourning Parade.

On 16th February 1936 to express sorrow at the demise of Emperor, King George V, mourning parades were held at Narasimharajapur, Tarikere, Birur, Mudigere and Chikmagalur.

First Aid Classes.

Dr. H. V. Ramaswami continued to hold First Aid classes during the year. Dr. D. S. Puttanna examined the candidates and 16 in senior and 1 in junior examinations were declared to have passed. Another batch of Scouts are being trained in First Aid. They are expected to be examined in October.

St. John Ambulance Brigade.

To form a Brigade of St. John Ambulance at Chikmagalur, application forms for registration were duly sent to the Headquarters on 29th May 1936.

Training.

A Camp to train prospective Scoutmasters was held near Mudigere. Fifteen attended the Camp regularly while another 15 attended whenever their other avocations permitted them to do so. The District Scout Commissioner assisted by Mr. N. Ramaswamy was in charge of the Camp. Dr. M. C. Nanjappa was good enough to teach First Aid. The Campers thrice visited Hesgal, an Adikarnataka Village nearby. On the first occasion they went under the leadership of Dr. C. Raghunatha Rao, Officer in charge of Malaria Centre at Mudigere. Evils of Malaria and how to avoid them were explained to them. On the second day they pulled down dilapidated walls and fallen houses and showed the villagers how they make their village tidier. On the third day, the villagers were shown how to keep the roads clean and form drains.

Fifteen of the Campers were qualified to be in charge of troops.

Mr. N. Ramaswamy was deputed to undergo training in Handicrafts at Pachmarhi. Mr. Deo, Officer in charge of the Camp has certified him to be qualified to teach some 17 kinds of Handicrafts.

Local Scout Association.

The Local Scout Association at Mudigere has done good work by arranging Camp Fires, Displays and Competitions among Cubs, Scouts and Rovers. The Association has improved Scouting in its area. They have augmented their finances by staging a Kannada Drama. There is a Local Scout Association at Tarikere also.

Club Rooms.

Scouts have built Club Rooms at Sringeri and Ajjampur. At Tarikere they have put up a small shed for use of a Club Room. At Birur, thanks to the energy of the Headmaster of Kannada Middle School, a substantial building has been erected for Scout Club Room.

Public Service.

Scouts are everywhere rendering Good Turns on all occasions. The services of Bhisma Rovers of Tarikere to the sick and injured and at the Anthragatta Fair deserve mention.

The Library and Equipment.

The library and equipment of the District Scout Council are being made use of by mofussil troops.

Handicraft Class.

A class to teach Handicrafts to Scouters and Rovers is started at Chikmagalur on 27th of June 1936. Mr. K. Sanjeeva Kamath, Provincial Scout Secretary of Madras, was good enough to inaugurate it. Mr. N. Ramaswamy and Mr. M. Keshava Rao are in charge of the class.

Thanks.

Our thanks are due to all educational and medical officers who have whole-heartedly co-operated with us in Scout work during the year. Our thanks are due to Mr. Sheik Ahmed, M A., for having kindly audited the accounts of the District Scout Council.

S. VENKATARAMAIYA,
Secretary & Dist. Scout Commissioner.

I checked the accounts of the District Scout Council, Chikmagalur for the year 1935-36 and find that this Statement gives a correct view of the financial position of the Council for the year.

Changes in the Constitution.

Mr. M. Chennaraj Urs, the President of the Council left us in May 1936, on account of ill-health. We wish him speedy recovery and early reversion to normal and active service. Mr. G. Sundara Rao also who was one of the Vice-Presidents resigned the office on account of transfer in September last. The offices of the Presidentship and the Vice-Presidentship are, therefore occupied by Messrs. Abdul Azizkhan and Abdul Razaq respectively. Except these there were no other changes among the office bearers.

Training Camps.

A refresher's Scout training camp was held during X'mas holidays at Hagare in order to brush up the knowledge of trained Scoutmasters. A noteworthy feature of the camp was the special training in Lathi and Lezim that was given to all the Campers as a part of physical culture activities. Mr. H. R. Abdul Gaffar, Organising Secretary, The Boy Scouts of Mysore, was in charge of the Camp.

Mr. Ramachandra Rao of Holenarsipur High School, who is an active Scoutmaster was deputed to attend the Handicrafts Training Camp held at Pachmarhi.

Activities.

The Scout Week was celebrated in December 1935 at Hassan and at other important centres in the District on a very grand scale.

Condolence parades were also held throughout the District as a mark of respect to the memory of the Late King Emperor George V.

Scouts of Holenarsipur rendered valuable assistance to the authorities concerned on the occasion of the laying of the foundation stone of the Local Fund Dispensary Building and on the Opening Ceremony of the Water Works.

Scouts throughout the District and of Hassan Town in particular took part in the celebration of His Highness the Maharaja's birthday on a grand scale.

Besides these every opportunity to sender service to fellow human brothern on occasions like cattle shows and public gathering was availed of by the Scouts.

Local Scout Associations.

It is gratifying to note that the two newly formed Local Scout Associations at Channarayapatna and Alur under the presidentship of the Amildar and the Deputy Amildar of the respective taluks have been working quite satisfactorily. The Local Scout Association of Channarayapatna is seriously thinking of organising a Scoutmaster's Training Camp especially meant for the villagers. Efforts like that will lead to early popularisation of Scouting in rural parts.

We are glad to note that the Local Scout Association, Holenarasipur is assiduously trying to construct a building of its own.

Finance.

The income from all sources was Rs. 913 with an opening balance of Rs. 568-8-11. The expenditure comes to Rs. 660-10-9 leaving a closing balance of Rs. 820-14-2. The accounts were duly audited by Mr. S. N. Thimmappiah, B.Com., and found correct. A detailed statement of receipts and expenditure is appended herewith.

Conclusion.

In conclusion, I may say that the Scout Movement is making little but substantial progress in the District. Though of late, there seems to be some retandation, I am quite confident that by the kind co-operation of the executive heads of the District, the Headmasters of High and Middle Schools and all the Scouters, the Movement can progress appreciably. If only our Scouters do chalk out a programme of work in the year as per their local needs and conveniences and intimate the monthly progress to the District Scout Commissioner without fail, the retardation can be appreciably checked.

My thanks are due to the President, Vice-Presidents, the District Scout Commissioner, Secretaries of Local Scout Associations, other members of the Council and all other Scouters who have evinced keen interest in the cause of the Scout Movement in and out of the Council.

My thanks are also due to Mr. G. S. Subba Rao who was giving us valuable suggestions and taking keen interest in the cause of the Movement and also to the Headquarters for their financial assistance and timely help during Training Camps.

Secretary,

I have audited the accounts of the District Scout Council for the year 1935-36. I have examined all the vouchers in support of the various payments and they are found to be correct. The expenses incurred are duly sanctioned by the Council and are in conformity with the budget sanctioned. The balance shown in the Cash Book agrees with the balance shown in the Bank Pass Book.

H. M. MUHAMMED GHOUSE,
Secretary,
District Scout Council, Hassan.

The District Scout Council, Shimoga

President

S. Narayana Rao, Esq., M.A., (Hons).

The Office-bearers during the year remained as during the last year.

The number of Scout and Cub troops in the District is 30, and there are 411 Scouts, 353 Cubs and 94 Rovers. There is one Rover Crew conducted by Mr. K. Krishna Moorthy, Vakil, and another by Mr. H. S. Arunachala of the Coaching School, Shimoga.

We had a training camp at Hosanagar, Nagar Taluk, right in the heart of the Malnad in the month of May this year. The strength was 24 teachers and others who underwent training. The camp was in charge of Mr. Abdul Gaffar, Organising Secretary and Mr. V. S. Ramachandra Rao, assisted by Mr. M. H. Ramachandra Rao. We wanted to run a Camp for Village officers and unfortunately had to give it up, at the last moment for various reasons. The other camp we wished to have during summer holidays, had to be postponed owing to the changes in the dates of the State Rally proposed to be held at Davangere.

The various Scout troops have been doing good work and the services rendered by the local Scouts during the visit of the Dewan-in-charge were very much appreciated. The Adikarnatakas gave a display during the visit of the Dewan when he very kindly laid the Foundation Stone of their Hostel. The Dewan was pleased to express his appreciation of their smartness. The Scouts at Thirthahalli rendered useful service at the huge annual fair, held during Yellu-Amavasye.

There has been a change in the Head Masters in the High School, Shimoga. Dr. T. N. Jacob, during his short stay had endeared himself and was of much help to the Movement.

We are sure that in Mr. K. Manjaiya, we will find an equally enthusiastic supporter for the progress of the Movement.

We had deputed Messrs. K. Krishna Moorthy, Vakil, and Mr. V. S. Ramachandra Rao, from the High School, to undergo training in Handicrafts and Advanced Scouting at Pachmarhi, Central Provinces. They have returned after gaining good experience and we hope the benefit of their training will be of great benefit to the Scouters.

The Municipality assured us through the efforts of our beloved President to give us a site for building in an important place and before the next annual Report we hope to have our home there.

Mr. Abdul Gaffar was kind enough to tour in this district this year and after his inspection, has given us valuable hints for improving the movement.

Mr. A. Vasudeva Rao, the ex-Organising Commissioner who is now our District Educational Officer, has been rendering us valuable help in addition to his arduous official duties. Under his guidance we are organising the work better.

The Council thank the various Scout officers and other official and non-official gentlemen who have been helping the Movement. I have been noticing that interest in the progress of the Movement is gaining ground and with the co-operation of you all, I am sure we will be able to place a better record next year.

The statement of accounts is also placed before you for your approval and acceptance.

In conclusion, the Council appeal to one and all to take an active interest in the Movement and make it a success.

Report of the District Scout Council for the year 1935-36.

The office-bearers of the Scout Council during the year under report remained the same as last year.

There are 27 Troops, 7 Cub Packs and 1 Rover Crew with a strength of 594 Scouts, 181 Cubs and 20 Rovers as compared to 25 Troops, 6 Cub Packs and 1 Rover Crew with 512 Scouts, 128 Cubs and 23 Rovers last year. Some of the Troops and Packs had to be abandoned for want of a Scout or Cubmaster, owing to his transfer. It is a pity that inspite of some efforts made, the Council has not been fortunate in enlisting the sympathy of non-official active Scoutmasters. It is hoped after the advent of the VIII State Rally at Davangere, more non-officials will join the Movement as active Scoutmasters and help the Movement in the District.

During the year the Council met four times and transacted business. In the meeting of the Council held on the 4th September 1935, it was resolved that the VIII State Scout Rally be held at Davangere in April 1936. A Rally Working Committee was formed and this Committee actively took up the working of the details of the Rally. Owing to causes beyond the control of the Scout Council, the State Rally could not be

held in April 1936, or in the month of May 1936, as was latterly proposed. This postponement of the State Rally has caused some inconvenience and anxiety in the minds of some Scouters in the State, and some have entertained the idea that the Rally may not come off in the near future. But this Council assures all the Scouters that the State Rally will be held at Davangere during the month of December 1936, in Christmas holidays.

The Council wanted to run a Training Camp for Cub-masters, but owing to the uncertain dates of the State Rally, the Camp did not come off.

One Scouter from this Council was deputed to undergo Handicrafts Training in the Training Camp held at Pachmarhi (C.P.). This Scouter has started the work of Training the Scouts in Handicrafts.

During the year the District Scout Commissioner visited almost all the Troops in the District and revived the Local Scout Association at Davangere and started a new one at Molakalmuru.

As per statement of accounts, the total receipts during the year including the opening balance, are Rs. 2,488-7-3, and the total expenditure Rs.319-8-0 leaving a balance of Rs.2,168-15-3. The accounts of the Council have been audited up-to-date by Messrs. C. Narasimha Murthy and B. Narasinga Rao, B.A.

W. T. HANUMANTHA RAO,
Dist. Scout Commissioner & Secretary.

University District.

Report of the Working of the University Scout Group, Central College, Bangalore, for the year 1935-36.

Constitution and Bye-laws.

Rule 5 of the Constitution and Bye-laws of the Group was amended with an addendum as follows :—

> " A Scout or Rover who joins the U. S. G. in successive years may however be exempted, by the Group Council, from second and further payments of the admission fee."

Management.

Consequent on the transfer of Principal F. N. Mowdawalla, Mr. B. Krishnaswamiengar, L.C.E., Principal, College of Engineering, Bangalore, became ex-officio member of the Group Committee.

There was no change in the Group Council.

Strength.

The total strength of the Group was 86, distributed as follows; Central College 31 Rover Scouts; Intermediate College 24 Rover Scouts and 10 Scouts; College of Engineering 15 Rover Scouts; Medical School 2 Rover Scouts; and Old Scouts 4; Total 86.

Meetings.

Each of the four Units met once early in the year. Patrols were formed and put in charge of trained Leaders and Mates who held several Patrol Meetings by themselves and brought their men to the Second Class standard.

In October 1935, a hike to Vasantapur, about 5 miles south of Bangalore was arranged for the Patrol Leaders,

Rover Mates and their Seconds. It was intended to explain and institute the Patrol System, which worked satisfactorily during the year. The Patrols held a number of meetings and performed a few hikes.

The Group took part in the Scout Week organised by the City Scout Association in December 1935.

Special Activities.

As usual a batch of students was trained in Musketry. The training was given during the Summer Vacation and 16 took it. The authorities of the First Battalion, Mysore Infantry, have laid the Group under a debt of gratitude by training its members in Musketry every year.

A course of lectures on First Aid to the injured was arranged for the members of the Group at the end of which 28 sat for the Certificate Examination. Twenty-one passed, of whom one obtained a Voucher. The Group is thankful in this connection to Doctors M. Sivaram, B.A., M.B.B.S. and S. Raju Iyengar, M.B.B.S., Surgeon Instructor and Surgeon Examiner respectively.

The Group Band received new and effective training at the hand of a qualified instructor deputed from the Mysore Infantry. The Band party gave a good account of themselves on many occasions.

Annual Camp

The Annual Camp was held at Sri Ramadevara Katte, which is the site of a dam across the river Hemavati about 3 miles beyond Hole-Narasipur on the Mysore-Hassan road. The Dam marks one of the early irrigation schemes undertaken by Government and has provided an unfailing system of canals over a good bit of the Hassan district. It is a favourite camping place for Scouts and is rendered more attractive with a specially equipped third class Travellers' Bungalow and a District Board Musafarkhana. The climate was cool after the first showers of the monsoon. Twenty-five Rovers and Scouts

attended the Camp and were trained in Rover Scouting. They had an excursion to Sravanabelgola, celebrated for its colossal monolith statue of Gomata, 60 feet high. It is also a place of pilgrimage for the followers of the Jaina School. There was perfect health in Camp, and the camp as a whole was indeed quite successful.

Service.

The Group had many an opportunity of rendering service, notably on the occasion of the celebration of the Central College Diamond Jubilee and in connection with the Special Lecture Week at the Karnataka Sahitya Parishat.

Reading Room and Library.

The Group subscribed for four Scout periodicals: The Scouter, The Rover World, Scouting (America) and The Jamboree. A few books were added to the Library. Attempts were made to make the Reading Room and Library useful to the members of the Group; but for want of accommodation it was found difficult to arrange for a systematic working.

Finance.

The Group suffered a reduction in the annual grant; from 1300 to 800. The Group Committee resolved to move the University to enhance the grant to Rs. 1000 atleast.

Conclusion.

The general tone and discipline of the Group were satisfactorily high and promising. The Group continues to cherish the ambition to extend the scope of Scouting in the University by increasing its equipment and widening its programmes, but with the continued reduction in the annual grants, it becomes so hard to realise that ambition. We conclude with expressing our heartfelt gratitude to Principal McAlpine for his active benevolence and to Dr. B. K. Narayana Rao, Mr. B. Krishnaswamiengar and Mr. M.

Seshaiyengar, the other members of the Group Committee, for their unwavering sympathy.

H. L. HARIYAPPA,
Group Scout Master.

M. C. ROVERS

Brief Report for 1935—36.

The strength of the group was 104. Six leaders were in charge of the six Units. There were six Meetings of the General Body. The Court of honour met seven times during the course of the year.

The Crew possesses a Library containing 120 books. It possesses a well-trained band.

The Crew went out on two hikes. There was a standing Training Camp arranged during the summer vacation. The Crew took part in the Dasara Procession. One of the most important events in the year was the occasion of the Oriental Conference held in Christmas. The Rover service was much appreciated by all. In addition, the Crew helped the University authorities at the time of the usual and special Convocations. Some of the institutions and persons served by the Crew were :

1. Co-operative Bank—in connection with the Silver Jubilee Celebrations.
2. The Deaf and Dumb Institute—for training the inmates in Scouting.
3. Professor Madhava—Vagrancy Survey in the City.
4. Dasara Guests—during Dasara

The Anniversary of the Crew was celebrated on the 26th January 1936. This practically brought the activities for the year to a close.

N. S. NARAYANA SASTRY,
Rover Leader.

The District Scout Council, Mysore City Area

Report for the year 1935-36.

President

M. A. Sreenivasan, Esq., B.A.
President, City Municipal Council, Mysore.

District Scout Commissioner

Dr. K. N. Venkatasubba Sastri, M.A., Ph.D., F.R.H.S.
Assistant Professor, Maharaja's College, Mysore.

Secretary and Treasurer

Rao Saheb M. Ramaswamy.

This Council has just completed its fourth year and is therefore still very young.

The University is now a separate District. But until a month ago, the Maharaja's College lay within our jurisdiction. This point is emphasised, because as many as 150 Scouts and Rovers of the College Group have been suddenly taken away from our Census for this year, with poorer numbers consequently in the total.

Scout Census.

There has been a slight increase from 1130 to 1146 during the year. Considering the handicaps of this Council on account of a very small grant from Headquarters, the progress is a matter for pride

General Activities during the Year.

The City Scout Council had its Annual Scout Week Competitions Rally during the last week of December. The Rally was celebrated jointly with the Mysore District Scout Council. His Highness the Yuvaraja of Mysore, our Chief Scout, very graciously presided on the occasion of the prize distribution. Our Chief Cub Prince Jayachamarajendra

Wadiyar, honoured us with his presence on the occasion. The City and District Scout Councils presented their addresses inserted in a log of wood held by an Elephant. His Highness who was keenly interested in the progress of the Movement, was graciously pleased to remark as follows :—" Coming to the City Scout Council I shall readily concede its claim to be treated as the youngest Council into which it is now metamorphosed true to the instinct of the Scouts trying to grow younger day by day. Your firm resolve to start a Model Troop in this Model City strikes me to be expression of the youthful zeal and vigour of your Council and I shall keenly look forward to the early fruition of your efforts. My attention was drawn the other day to the serious wastage occurring in the Movement, I mean to the boys dropping out of the Movement when passing out of the Primary to the Middle School or from the Middle to the High School. There seem to be numerous cases of trained Scoutmasters and Scouters dropping on at a time when much is expected of them. If you in the City Scout Council take up a question like this and devise measures to check wastage and if your efforts succeed, as I hope they will, in the wider appreciation by the public of the value of Scouting as a preparation for citizenship and as a corrective to the many defects of the present day schooling, you will have made a valuable contribution to the success of Scouting in the State. I note with pleasure the commendable efforts made to bring the joy of Scouting to the unfortunate brothers of the Central Institute for Defectives. I hope the success of the Mysore City Scout Council in this direction will stimulate the interest of other Councils and I wish they will do something to extend the benefits of Scouting to the boys born with a handicap". In spite of holidays, 300 Scouts and Cubs took part in the Rally.

Special Activities.

The Mysore City Scout Council owes a deep debt of gratitude to Amin-ul-Mulk Sir Mirza M. Ismail, Kt., K.C.I.E., O.B.E.,

our Deputy Chief Scout, for his kind thought and good turn for the City Scouts. The acquisition of a building viz :—the Old Chamaraja Police Station, by the City Scouts, is the result of his handsome gift. It has been a source of invaluable help to them. There can be no better purpose, which the building can serve, than that it should be dedicated to the service of the public by the City Scouts. For the first time in the history of Scouting in Mysore, the City Scout Council has been enabled to start a new activity, viz :—the opening of a Scout Service Centre in this building. The kind of service rendered is under the following heads :—

1. *Service Centre* :—A free reading room and library of Scout Journals and books, First Aid, Postal stamps on holidays, Notice of public engagements, Den for den-less Scouts etc., This Council hopes to open another centre in the northern half of the City in the course of the next year.

2. The development of Scouting in the school for the Deaf and the Blind Boys is another line in which this Council is interested. There are now 31 Cubs and 32 Scouts in the troop of that school. In the Competitions held in the last Scout Week, this troop stood first in several items and obtained the third place on the whole.

3. *Scout Contingent in the State Procession* :—Perhaps the greatest special activity undertaken by this Council is the preparation of Scouts and Rovers in this City for the Royal Processions during the Birthday and the Dasara. During the last Dasara under the Chief Scout Commissioner's able leadership the Contingent made up of about 150 Rovers marched with the State Forces in the Procession. During the last Birthday under the leadership of the City Scout Commissioner the Contingent of the same strength took part in the procession. Only one word has to be said about this unit. The Rovers of the Maharaja's College could not join the Contingent owing to the summer vacations and the Head-

quarters was requested to send a complement of Rovers and Scouts from Bangalore. As a result of this appeal the District Scout Commissioner of Bangalore arrived with 60 Rovers well tested and disciplined. This Council is therefore under a deep debt of gratitude to the Headquarters and the District Scout Commissioner of Bangalore for the ready co-operation.

Finance.

The balance sheet shows an income of Rs. 1646—0—0 from all sources and an expenditure of Rs. 1448—1—7 leaving a closing balance of Rs. 197—14—5.

Visit of the Deputy Chief Scout Commissioner.

Major Y. V. Krishna Murthy, M.B.B.S., D.T.M., Deputy Chief Scout Commissioner visited the City in August 1936 and inspected some of the troops in the City. He was met by the members of the City and District Scout Councils at a tea party.

Conclusion.

Mr. M. A. Sreenivasan, President of the City Municipal Council is keenly interested in the movement and has spared no efforts to ensure its progress allround in the City. His advice regarding the formation of a Model Troop and a Swimming Pond for the Scouts has already had the desired effect. We thank him very much for all that he has been doing in the cause of the Movement, inspite of the multifarious duties engaging his attention as the president of the City Municipal Council.

We are thankful fo the Headquarters and the official and non-official members of this Council for their invaluable advice and co-operation towards the success of the Movement in the City.

The Council takes this opportunity to thank Lt. Col. A. V. Subramanyaraj Urs, Kille Kacheri Bakshi, for his keen interest in the Contingent and for sending the Palace

nstructors to train its members in foot-drill. The Council also takes this opportunity to tender its loyal and most grateful thanks to His Highness the Maharaja for having graciously permitted the Scouts to join the Royal Processions.

12 All Scouts possessing Warrants

I have much pleasure in submitting our Annual Report for 1935—36.

Strength.

There are at present 5 Scout Groups, one Rover Crew, and one Pack, consisting altogether of 188 Scouts, 26 Rovers, and 79 Cubs. There are also 6 Troops and Packs which have not sent in their census forms, as such their numbers cannot be included, but all or almost all are working.

Constitution.

As there had been no Meeting of the Council for some considerable time, it was found necessary to re-organise the Council. This was done at a Meeting held in July 1936. Mr. H. A. Martin, M.Sc., late District Scout Commissioner, having tendered his resignation, due to pressure of work and other engagements, the Council expressed its sincere regret at losing his valuable services. He had done much for Scouts during the previous 13 years, and this was placed on record. The Rev. W. H. M. Lonsdale, Principal of the Kolar Gold Field School was elected District Scout Commissioner and Mr. O. V. Rajagopal and Mr. W. E. Everitt as Assistant Scout Commissioners. Mr. V. S. Balakrishna Pillay was elected Secretary.

Progress.

Naturally there has not been much progress during the year under report, and several Scout Troops became defunct. However, the Labourers Crew and the two K G. F. School Troops and St. Mary's Troop have been active throughout the year.

Conclusion.

There appears to be considerable activity following the revival of the Council, and we expect great progress in the near future. We look to individual Scoutmasters to do their utmost for their own Troop, Pack or Crew, and also to co-operate fully with the Council.

V. S. Balakrishna Pillai,
Honorary Secretary.
